Acer **P** 5370W

![ColorBoost II] **ColorBoost II**
![SmartFormat] **SmartFormat**
![EcoProjection] **EcoProjection**

The P5370W delivers impressive projection with its 16:9 widescreen aspect ratio, 3000 ANSI Lumens brightness, 2000:1 contrast ratio, and WXGA (1280 x 800) resolution.

With a low 28 dBA noise level, this powerful but quiet performer presents crisp, clear video whether in the boardroom, classroom, home cinema or a large venue with bright ambient light.

An HDMI™ port connects to high-quality HD broadcasts, and a DVI port supports HD digital signal and HDCP. With Acer ColorBoost II and Acer EcoProjection technologies, the P5370W guarantees compelling projection for all viewing needs.

Weight	6.6 lbs (3.0Kg)
Dimensions (W x H x D)	299 x 229 x 93 mm (11.8" x 9.0" x 3.7")
Remote Control	IR remote control with laser pointer & PgUp/ PgDn functions
Noise level	28 dBA

## Feature highlights

Brilliant display
- Unique, elegant design
- Acer ColorBoost II technology
- WXGA resolution
- 3000 Lumens brightness and 2000:1 contrast ratio
- DLP® system design

Green, compelling functionality
- Acer EcoProjection technology
- Longer lamp life (4000 hours)
- ECO mode
- Acer Instant Pack technology
- Automatic safety shutdown
- Digital zoom and pan
- 3X color-wheel rotation speed
- Low noise level
- Built-in speaker
- Alarm
- PIN security
- Sliding lens cover
- Windows Vista® compliance

Trouble-free setup and usability
- Acer Empowering Technology
  - o Acer ePower Management with High Altitude Mode
  - o Acer eView Management with innovative Blackboard Mode
  - o Acer eTimer Management
  - o Acer eOpening Management
- Acer SmartFormat technology
- Acer Top-Loading Lamp design
- Installation menu
- Keystone correction (40° vertical)
- Quick start
- Quick detection
- Digital connectivity via an HDMI™ port
- Digital connectivity via a DVI-D port
- Dual D-Sub input
- Multi-PC connectivity
- Monitor loop-through
- RS-232 port

Composite video RCA jack
S-video mini-DIN
USB connector for remote computer control
RS-232 port
3.5 mm audio mini jack
Kensington lock slot

15-pin D-Sub for monitor loop-through
15-pin D-Sub for PC analog signal/HDTV/component video input
29-pin DVI-D port (VGA/Component/HDTV/HDCP)
19-pin HDMI™ port

![ColorBoost II] **ColorBoost II**

Acer Color Boost II Technology
Acer ColorBoost II optimizes multimedia performance for different scenarios, environments and connectivity interfaces. It is the next generation of ColorBoost performance enhancement technology for Acer projectors ‚Äì all of which feature a six-segment color wheel for business presentations, educational purposes and entertainment in any venue. With Acer ColorBoost II, Acer projectors deliver enriched details, smoother gradation and brighter natural colors while boosting color strength and performance for more lifelike skin tones and unsurpassed color reproduction.

![SmartFormat] **SmartFormat**

Acer SmartFormat Technology
Conveniently supports comprehensive wide-format PC signals. Users no longer need to worry about annoying "Signal not supported" issues, nor must they change the resolution of their wide-format notebook.

![EcoProjection] **EcoProjection**

Acer EcoProjection Technology
Acer EcoProjection is a complete environment-friendly power management solution that reduces standby power consumption by up to 50%, from 10 W to 5 W. Also featured in the Acer EcoProjection suite is Acer ePower Management for customized power-saving configurations.

Empowering Technology **ePower**

Acer ePower Management
Acer ePower Management provides quick configuration of power management options, including controls for High Altitude mode and Auto Shutdown.

Acer eView Management with Blackboard Mode
With Acer eView Management, adjusting projector settings to suit any environment and any type of content is fast and easy. Eight factory or user-defined presets instantly configure color, brightness and contrast to deliver best-quality images. Innovative Blackboard Mode allows users to instantly project onto a traditional green chalkboard. There is no longer a need to set up a separate white screen.

Empowering Technology **eView** Blackboard Mode

Empowering Technology **eOpening**

Acer eOpening Management
Acer eOpening Management allows users to easily create a customized startup screen for their Acer projector. Business users can set a corporate logo to create a professional brand image or add owner information to protect the projector from theft. Home users can have fun displaying their favorite photographs.

Empowering Technology **eTimer**

Acer eTimer Management
A digital clock that can be set by the user and displayed onscreen for convenient reference keeps presentations going at the right pace. Acer eTimer Management also features a visual countdown and alarm, or countdown alone, to warn the presenter when time is up.
